ZAICHIKOV, V. T.
Sarah Milledge Nelson was born in 1931 in Florida. She received her doctorate from the University of Michigan in 1973, and she is presently the acting chairperson of the Department of Anthropology at the University of Denver. Aside from the Han River project on which she is reporting in this volume, Dr. Nelson has also done field work in the United States and Mexico and has made several contributions in scholarly journals.
Occasional Papers

Prices are in U.S. currency, prepaid only, and include surface postage to customers within the United States. Surcharges for shipments to foreign destinations are as follows: Canada and Mexico $.25, Asia $.50, and all other areas $1.00. Orders not accompanied by prepayment are assessed an additional $1.00 for handling. For further information, write to the general editor: Professor Henry G. Schwarz, Program in East Asian Studies, Western Washington State College, Bellingham, Washington 98225, USA.
